Professional Summary

A highly motivated BCA graduate from Shivaji University, Kolhapur, with a strong foundation in programming, web development, and core software engineering principles. Passionate about creating clean, user-friendly, and responsive web applications. Known for being a quick learner with a curious mindset, strong problem-solving skills, and the ability to adapt and thrive in collaborative team environments. Actively seeking a developer role where I can contribute to impactful projects, grow with emerging technologies, and continue building meaningful solutions in a dynamic tech space.

Projects

Expense Tracker Web App

Built a responsive expense tracking app using HTML, CSS, and JavaScript to manage daily expenses. Features real-time updates and clean UI.

[Live Demo](#) | [GitHub](#)

Personal Portfolio Website

Developed a modern, mobile-friendly portfolio using React.js to showcase skills and projects. Deployed on Vercel for seamless access.
