Professional Summary

A highly motivated BCA graduate from Shivaji University, Kolhapur with a solid foundation in programming, web development, and software engineering principles. Passionate about building clean, responsive web applications and continuously improving through new technologies. Known for quick adaptability, analytical thinking, and strong collaboration in team environments. Seeking a developer role where I can contribute to innovative solutions and grow in a dynamic tech environment.

Projects

- **Expense Tracker Web App**
  Built a responsive expense tracking app using HTML, CSS, and JavaScript to manage daily expenses. Features real-time updates and clean UI.
  [Live Demo](#) │ [GitHub](#)

- **BookNest – Online Book Store**
  Designed and developed a full-featured online bookstore using HTML, CSS, JavaScript, and PHP with MySQL database integration. BookNest enables users to browse, search, and purchase books, with an admin dashboard for inventory management.
  [GitHub Repository](#)

- **Personal Portfolio Website**
  Developed a modern, mobile-friendly portfolio using React.js to showcase skills and projects. Deployed on Vercel for seamless access.
